

NO FIT STATE CIRCUS

NO FIT STATE CIRCUS are the most exciting circus-theatre company in Wales and are presently 'Welsh Community business of the year.'

The company, founded in 1985, comprises of five members equally versatile in clowning, juggling, acrobatics and unicycling. NO FIT STATE CIRCUS have trained at The National Circus Forums and attended the European Juggling Conventions.

Last winter they toured their Pantomime extensively throughout South Wales schools and Community Centres. This summer they have delighted thousands with over four hundred performances from Llanelli to London, Glasgow to Gloucester and Conway to Cardiff.

"Every Witch Way But Up" is their third major production specifically scripted for infant and junior age children.

The NoFit State Circus Pantomime is a non-seasonal, non-sensical production combining the traditions of pantomime with the excitement of the Big Top. A cunning plot spiced with circus skills and silliness. A fast, witty blend of fun and frolics, an action packed hour of manic mayhem.
