NoFit State Circus Roadshow 1999 Tour

This year Wales's most irresistible circus theatre are breaking with tradition to offer you, the customer, a more exciting and flexible package which can be tailored to suit your individual needs and preferences.

As the millennium approaches, festivities are being organised and anticipation is growing. We realise that every bodies dream is a different one. By booking NoFit State you can guarantee that your dream can become a reality the only constraint being the size of your wallet !!

NoFit State Circus have over 10 years experience and a reputation that stretches the length of Britain, and over the water to Ireland and Europe. You're in safe hands.

*** The Ideal Venue ***

With a congenial atmosphere and superb acoustics the Big Top makes an ideal venue. As an eye catching feature it also attracts audiences. Not just a marquee, more fully equipped transportable theatre. Here's the facts.

- Big Top External dimensions 110ft by 90ft
Internal dimensions 80ft by 70ft
- Tiered seating for 350 people, disabled access and wheelchair space
- Full 3K professional PA system (16 channel desk and many FX)
- Avo light dimming, Avo pearl 2000 desk and a generous selection of lights.
- At extra cost , discount Vari-Lites (automated lighting)
- 2 x 35kva silenced Ex Aggreco power generators
- Resident sound and light engineer
- Full stage management services
- Outside festoon lighting

* MIX N MATCH *

The venue in position, now the difficult choice of what and who to fill it with. You probably have your own ideas. Whether it be childrens shows, family entertainment, aerial spectacular, adult cabaret (or something in between) we can supply it. Choose from-:

- Circus-theatre at its best with a 90 minute show from the Bash Street Co. A colourful mix of silent comedy, live music and circus skills combining tightrope walking, stilts, giant unicycles, juggling, acrobatics and a whole lot more in a unique style of knock-out, knock about circus.
- Outside aerial trapeze, cloudswing or webrope spectacular. Guaranteed to make an audience gasp in amazement and ideal to create a magical centrepiece for any event. Some shows are also suitable for inside the tent.
- Childrens entertainment from our wide and varied repertoire. Too many shows to mention here, but heres a few anyway - Risky in Pink, Francis Maxey on the slackrope of fear, Paddy the Clown, and more. Most childrens shows run for forty minutes or so, the list is long, all have been successfully incorporated into festivals and events. Professional delivery of the giggles assured.
- Adult cabaret -the up and coming entertainment option. Mix music, comedy and performance to satisfy every bodies desires.
- Circus Skills Workshops. Always a popular choice with children and childish adults alike. We cover the entire range of circus skills in a safe and friendly environment. This includes Static Trapeze, Cloud Swing, Acrobatics, Juggling, Unicycling, Clowning, Stiltskills and Fire Skills
- Walkabout characters. Big, bold, and often beautiful too. Stilt walking, unicycling, juggling and generally acting the fool, these attention seekers will not go unmissed. Characters can be fitted to

your theme or not. The choice is yours.

- Fire Fantastic- Highly skilled fire jugglers, eaters, swingers, and blowers, guaranteed to increase the heat. Give the word 'fireworks' a different meaning and let the sparks fly!!
- Of course you don't have to book in acts through us, you may want to use your own local talent, in which case we are happy to facilitate this by running the tent as a venue for you.
- Something you want that's not on the menu? Just ask and we'll do our best to provide it.
- Want it all ? No problem and you'd be in line for a discount as well !
